

Alliance of Independent Rottweiler Klubs

Dear Exhibitors,

The AIRK will produce a wall calendar for the year 2010 and would like to include a photo of your dog. This will be a keepsake item and will make great Christmas gifts for your friends and puppy buyers. They will be made available at shows by participating clubs and by mail. The cost per calendar is \$20.00. This money will be used by the clubs and the general organization for needed expenses. As you probably know the AIRK does not take any money from the individual club entries, etc and the time has come when our expenses must be covered other than by donations as in the past.

We will be using top quality paper and color printing with a clear plastic cover.

The cost for the month (one photo) will be \$100.00. We will offer ½ page if it goes to the same owner with two dogs. This offer is open to all; however we will give preference to any AIRK Sieger or Siegerin. Your page must include the dog's name and titles and only the owner's name and e mail address. Please send titles on a separate page from your photo, as we will use a single font for all copy.

To ensure that your dog is included please call me to reserve a month. The photo, check and other information must be sent to me by July 20th 2009. Since we are working with only twelve months this will be on a first come basis, so I suggest that you be prompt with your request.

See you at the shows,

*Marge
